

# TOM FERRY'S BUSINESS PLAN

I'm providing you access to this comprehensive business plan, which is designed to support you in outlining your daily, weekly, and monthly actions for achieving your this year's goals.

Please keep in mind that this plan is most effective when approached collaboratively. We recommend considering a joint review of the plan with your coach. If you haven't connected with a coach yet, you're welcome to schedule a complimentary session with one of our experienced business consultants. Their expertise will guide you through the plan and assist you in making informed decisions for your future.

Alternatively, we've curated a series of webinars exclusively available to our Sphere training subscribers. These webinars cover various aspects of the business planning process and provide additional insights.

Remember, allocating time to your plan is essential. By investing effort upfront, you're setting a clearer path toward the success you envision for the Year. Your commitment today will shape your achievements tomorrow.

Here's to a more productive version of yourself in the new year!

Tom Ferry  
CEO & Founder, Ferry International

**Without a written plan  
in place, you're simply  
rolling the dice with  
your future.**

A stylized, handwritten signature in blue ink that reads 'Tom Ferry'. The signature is fluid and cursive, with a large loop at the end.

## SECTION 1: PURPOSE

**We have a tendency to overestimate what we can accomplish in a year and dramatically underestimate what we can do in a decade.**

**What is your compelling vision for the future of your business?**

### 10 YEAR VISION

What is your inspiring and ambitious 10 year vision for your business? (Think BIG... what do you want your business to look like in a decade? Include everything you would love to have happen – volume, GCI, clients served, profits, new businesses owned or partnered with, cash flow and more! #DreamBig)

---

---

---

---

---

### 5 YEAR VISION

Based on your 10 year vision, how about the next 5 years?

---

---

---

---

---

### 1 YEAR VISION

Building upon your 5 year goals, what specific objectives and milestones do you aim to achieve in the upcoming year?

---

---

---

---

---

## SECTION 1: PURPOSE

### MISSION

**Envisioning greatness; what drives your mission towards extraordinary achievements?**

Create a powerful mission statement that reflects your purpose, values, and inspiring vision for the next 10 years. A mission statement articulates the purpose of your business and your means of reaching it. It should be a simple sentence or a phrase. The public needs to see it. And you need to focus on it.

---

---

---

---

---

### VALUES

**Uncover the heart of your business; what core values drive and define you?**

Values shape identity and guide decision making. Instead of single words, write brief sentences. Consider - and feel free to use - Tom's: 1) Deliver Value; 2) Embrace Innovation; 3) Build and Maintain Trust; 4) Execute with Relentless Discipline; 5) Strive for Greatness. Share your values with the public. Embrace them yourself.

## SECTION 2: MOTIVATIONS

### WHY

**What motivates you? A powerful “Why” comes out of a clear understanding of self. Do not write what should motivate you. Acknowledge the truth about what drives you.**

---

---

---

---

---

### ACCOUNTABILITY

**What additional accountability do you need to ensure your success? Let your coach know.**

---

---

---

---

---

### COMMITMENT

**Why is achieving your stated goals a must for you?**

Interested? Committed? Obsessed? You're about to lay out your plan for the year ahead, your bridge to your future. But a plan without the will to execute is only words on a page. So, write a message to yourself and your coach stating how seriously you are committed to implementing this plan and being held accountable to it.

---

---

---

---

---

---

---

---

## SECTION 3: UNITS & GOALS

**With your goals now established, it's time to delve into the seasonality of your business**

Utilize the grid below to strategize your target units for the upcoming year, ensuring you take into account the fluctuating unit volumes across different seasons.

### Projected Units Sold per Month and per Quarter

## SECTION 7: SWOT ANALYSIS

Your SWOT analysis complements your vision. Your vision tells you where you're going. The SWOT analysis helps describe where you are. With a clear assessment of where you stand, the more effectively you can plan and build a bridge to your future.

### Examples

**STRENGTHS:** Creating engaging, informative videos for social media.

**WEAKNESSES:** Non-standardized, inefficient transaction management.

**OPPORTUNITIES:** The agent who dominates the area adjacent to my geo-farm is retiring, so that area has good farming potential.

**THREATS:** The competition just opened an office to better serve the area that includes my geo-farm.
